Physician and Legislator Forum

Monday, May 6, 2024 at 6:30 pm

Westin Southfield Detroit

1500 Town Center, Southfield, MI 48075

Join us in this open forum which provides a discussion space for legislators to speak directly with local physicians and engage in thoughtful dialogue surrounding legislation that affects the healthcare landscape and patient-community outcomes.

This event brings together physicians and lawmakers from the tri-county area for introductions and discussions on legislative priorities and partnership opportunities. Representatives from the Michigan State Medical Society, Macomb County Medical Society, Oakland County Medical Society, and Wayne County Medical Society will be in attendance.

Don't miss this opportunity to have your voice heard and be part of the conversation that shapes the future of healthcare in our state.
