

Macomb County Medical Society Foundation's 2025 Holiday Sharing Card Project

Dear Macomb County Medical Society Members,

For this year's Holiday Sharing Card Project we are giving you the option of contributing to either or both of the following local charities. With all of the recent cuts to safety net programs the need in Macomb County has never been greater and we hope that you will help those that are less fortunate in our community. The Macomb County Medical Society Foundation is a 501(c)(3) non-profit charitable organization, as it pays for all costs associated with this project; **your donation is 100% tax deductible**. The Macomb County Medical Society FDN's Tax ID number is 38-3180176.

Macomb Food Program serves people in need of food through its 50 pantry distribution sites and its "Fresh to You" Mobile Pantry. Last year the Macomb Food Program served 148,388 households, a 15% increase from the previous year, (a 40% increase since 2021) and the need continues to grow. Every dollar donated stays in Macomb County and is used to feed hungry families, children, veterans, the elderly, and the disabled throughout the County.

Turning Point Shelter is Macomb County's only comprehensive agency supporting survivors of domestic violence, sexual assault, and human trafficking. They provide a 24-hour crisis hotline, emergency shelter, Forensic Nurse Examiner Program, legal advocacy, prevention education, support groups and counseling services that help thousands of women and their children.

We will be sending holiday cards to all Macomb County Medical Society members with a list of this year's Holiday Sharing Card donors inside.
